

Past and Present Member of The Houston Bronze Ensemble

1989 – 2026

Listed below are the past and present members of The Houston Bronze Ensemble. The present members would like to say thank you to all of those members who preceded us as members of this ensemble. Your work and dedication has helped to make us who we are today. It is our wish that we and future ringers of HBE will continue to share the art of handbell ringing with the Houston area and beyond.
